DEPARTMENT OF THE INTERIOR,

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the applications for the enrollment of Hellen Estella Jones and Hazel E. Jones as citizens of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on May 14, 1906, applications were received at this office for the enrollment as minor citizens of the Cherokee Nation, of Hellen Estella Jones and Hazel E. Jones, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicants herein, Hellen Estella Jones and Hazel E. Jones, are the minor children of one J. E. Jones, a non-citizen white man, and Ida A. Jones, a white woman, whose name appears on a partial roll of Cherokee citizens, opposite No. 10886, as an adopted white.

Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137), in part provides:

> "That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

The Indian appropriation Act of June 21, 1906, relating to the Five Civilized Tribes, contains as an amendment to said section two of the Act of April 26, 1906, the following provisions:

> "Provided further, that nothing herein shall be construed so as hereafter to permit any person to file an application for enrollment or to be entitled to enrollment in any of said tribes, except for minors the children of Indians by blood, or of freedmen members of said tribes, or of Mississippi Choctaws.

identified under the fourteenth article of the treaty of eighteen hundred and [illegible] as herein modified provided, and that fact that the name of a person appears on the tribal roll or any of said rolls shall not be construed to be an application for enrollment."

IT IS, THEREFORE, ORDERED AND ADJUDGED, That under the provisions of the Acts of Congress above noted, Kelley Rebecca Jones and Hazel B. Jones are not entitled to enrollment as citizens of the Cherokee Nation and their applications for enrollment as such are accordingly denied.

Q Is his name on the roll of 1880? A I think not; my wife's name is on the 1880 roll.
Q Why is not his name on the 1880 roll? A It must be from the fact that I was not located at any permanent place; I was just here and there and not in this country at that time.

INTERPRETER: He says that he was admitted by the National Council during the administration of Joel Mayes as Chief, in 1890.

BY W. W. HASTINGS, Cherokee Representative:

Q The Shawnees that took allotment down there are what are known as Absentees? A I think so; they must have been; I could not say as to what class of Shawnees they were, but they were Shawnees.
Q Are you part Shawnee yourself? A No, sir.
Q Was your mother Cherokee? A Yes, sir.
Q Your father Cherokee by blood? A Yes, sir; that is what he stated.

Applicant says that he has two other children, Thompson and Jacob, whose names do not appear upon said roll, having been born since the said roll was compiled. Their names are not found upon the authenticated roll of 1880, neither do they appear upon the census roll of 1896. By reason of the facts as to the citizenship of said James Lewis, his wife and family, final judgment as to the enrollment of said parties will be suspended and their names will be placed upon a doubtful card. It will be necessary for him to file with this Commission satisfactory proof of birth as to his two younger children, Thompson and Jacob.

Dear Sir:-

In connection with the application for the enrollment of your minor child, Della McCarty, as a citizen of the Cherokee Nation, you are advised that this office is in receipt of a license, issued November 28, 1900, authorizing the marriage of Thomas McCarty and Nannie Coverhouse, and also a certificate, signed by G. Dear Sir:

In reply to your letter of January 16, asking to be advised as to the enrollment of your minor children, Juel Edna Jane and John Columbus Petty, as citizens of the Cherokee Nation, you are advised that the records of this office show that the names of your children have not been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that your children are, prima facie, entitled to enrollment, nd if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of allotments of land in the Cherokee Nation for your said children, and in the event of final enrollment, the land for which you apply will be allotted to them.

You will be promptly informed when your children are finally enrolled as citizens of the Cherokee Nation.

In the matter of the application for the enrollment of Alice Steele, et al., as citizens of the Cherokee Nation, consolidating the applications of:

Alice Steele.....Cherokee MM 51
James and Beatrice Steele.....Cherokee N.B.1169

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That prior to December 1, 1905, a communication was received at the office of the Commission to the Five Civilized Tribes, whereby application was made for the enrollment, as a Cherokee freedman, of Alice G. Parker (Steele), and that on March 1, 1906, the said Alice G. Steele appeared in person before the Commissioner to the Five Civilized Tribes and gave personal testimony relative to her enrollment as a Cherokee citizen, at which time she stated that she is a Cherokee by blood, and that she desired her application for enrollment considered as such. The records further show that on May 9, 1906, applications were received at this office for the enrollment, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137), as minor citizens of the Cherokee Nation, of James and Beatrice Steele, minor children of the said Alice G. Steele. Further proceedings in the matter of said applications were had before the Commissioner to the Five Civilized Tribes at Muskogee, Indian Territory, on July 12 and August 15, 1906.

THE EVIDENCE IN THIS CASE SHOWS: That the principal applicant herein, Alice G. Steele, was born since 1866, and is the daughter of one Mattie Parker, who, the principal applicant testified, was a Cherokee by blood, and who, the evidence shows, was the slave of a Cherokee citizen at the commencement of the war of the rebellion, but after ample opportunity having been afforded said principal applicant to establish by satisfactory evidence that her said mother was an actual personal bona fide resident of the Cherokee Nation after the close of the rebellion within the time specified in the decree of the Court of Claims rendered February 3, 1896, in the case of Moses Whitmire, trustee, etc., vs. the Cherokee Nation, et al., for the return of Cherokee freedmen to said Nation as provided by paragraph two of Section three of the Act of Congress approved April 26, 1906 (34 Stat. 137),

she has failed to do so, or to show that she possesses any right whatever to enrollment as a Cherokee freedman, hence the right to enrollment of the said Alice G. Steele as a Cherokee freedman would come within the rulings of the Department in the cases of Eliza Bryant et al. (I.T.D.544-04) Ed Williams (I.T.D.4830-04), William Rector (I.T.D.1468-04), Minnie Denean et al. (I.T.D.1470-04), Samantha Chambers (I.T.D.2296-04) Moses Ross (I.T.D.5086-04), Jane Looney et al. (I.T.D.6410,12688-04), Florence Bratcher (I.T.D.12692-04), and Frankie Grimmett (I.T.D.17908-05), and said applicant is not entitled to enrollment as a freedman citizen of the Cherokee Nation under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat., 495). A careful examination of the records of this office fails to show that said principal applicant was ever admitted to citizenship in the Cherokee Nation by the Cherokee National Council, or by any duly constituted court or commission of the Cherokee Nation, or by the Commission to the Five Civilized Tribes, acting under authority of the Act of Congress approved June 10, 1896 (29 Stat. L.321), or by the United States Court in Indian Territory on appeal therefrom. Neither can she nor her mother be identified on any roll of the Cherokee Nation in the possession of this office. A further examination of the records of this office fails to show that either the said principal applicant or her father, Mack Parker, alleged to have been the slave of a citizen of the Creek Nation at the commencement of the war of the rebellion can be identified on any of the tribal rolls of the Creek Nation, or that they, or either of them, have ever been recognized in any manner as citizens of the Creek Nation.

The Act of Congress approved May 31, 1900 (31 Stat.L. 221), in part provides:

> "That said commission shall continue to exercise all authority heretofore conferred on it by law. But it shall not receive, consider, or make any record of any application of any person for enrollment as a member of any tribe in Indian Territory who has not been a recognized citizen thereof, and duly and lawfully enrolled or admitted as such, and its refusal of such application shall be final when approved by the Secretary of the Interior....."

The evidence further shows that the minor applicants herein, James and Beatrice Steele, are children of the said principal applicant, Alice G. Steele, and neither claim nor possess any right to enrollment as citizens of either the Cherokee or Creek Nation not possessed by their said mother.

Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137), in part provides:

> "That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee,

or Creek tribes, or have applications for enrollment pending at the approval hereof. . . . . .

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of the Acts of Congress above noted, Alice G. Steele, James Steele and Beatrice Steele are not entitled to enrollment as citizens of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

DEPARTMENT OF THE INTERIOR
OFFICE OF INDIAN AFFAIRS
WASHINGTON.

February 21, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a communication from the Commissioner to the Five Civilized Tribes, dated January 22, 1907, enclosing record of proceedings in the matter of the application for the enrollment of Alice G. Steele and children, James and Beatrice Steele, as citizens of the Cherokee Nation, together with the decision of the Commissioner, dated January 22, 1907, rejecting their application for enrollment as Cherokee freedmen, and refusing, under the Act of Congress approved May 31, 1900 (31 Stat. L., 221), to receive, consider or make any record of their application for enrollment as citizens by blood of the Cherokee Nation.

The record shows that a communication was received in the office of the Commissioner to the Five Civilized Tribes, bearing date December 1, 1905, whereby application was made for the enrollment of Alice G. Parker (Steele) as a Cherokee freedman, and on March 1, 1906, she appeared in person before the Commissioner to the Five Civilized Tribes and gave testimony relative to her enrollment as a Cherokee citizen, at which time she stated that she was a Cherokee by blood and desired her application for

enrollment considered as such.

The record further shows that on May 9, 1906, applications were received at the Commissioner's office for the enrollment, under the provisions of Section 2 of the Act of Congress approved April 26, 1906 (34 Stat., 137), as minor citizens of the Cherokee Nation, of James and Beatrice Steele, children of Alice G. Steele. Further proceedings in the matter of these applications were had before the Commissioner at Muskogee, I. T., on July 12 and August 15, 1906.

It appears that Alice G. Steele, the principal applicant, was born since 1866, and is the daughter of Mattie G. Parker, who, the applicant testified, was a Cherokee by blood, and the evidence shows was the slafe of a Cherokee citizen at the commencement of the War of the Rebellion. Ample opportunity was afforded the principal applicant to establish by satisfactory evidence that her mother was an actual, personal bona fide resident of the Cherokee Nation after the close of the War of the rebellion within the time specified in the decree of the Court of Claims rendered February 3, 1906, in the case of Moses Whitmire, trustee, against the Cherokee Nation, et al., for the return of Cherokee freedmen to that Nation, as provided in paragraph 2 of Section 3, of the Act of Congress approved April 26, 1906 (34 Stat.L., 137). She has failed to make such showing or to establish that she possesses any right to enrollment as a Cherokee freedman.

The record further shows that the principal applicant was never admitted to citizenship in the Cherokee Nation by the

Cherokee National Council or by any duly constituted court or commission of the Cherokee Nation, or by the Commission to the Five Civilized Tribes, under authority of the Act of Congress approved June 10, 1896 (29 Stat.L., 321), or by the United States Court of Indian Territory on appeal therefrom. Neither can her name, or that of her mother, be identified on any roll of the Cherokee Nation in the possession of the Commissioner to the Five Civilized Tribes.

The record further shows that neither the principal applicant nor her father, Mack Parker, who is alleged to have been a slave of a citizen of the Creek Nation at the commencement of the War of the Rebellion, can be identified on any of the tribal rolls of the Creek Nation, or that they, or either of them, were ever recognized in any manner as citizens of the Creek Nation.

The Act of Congress approved May 31, 1900 (31 Stat.L., 221), provides that the Commission shall not receive, consider or make any record of any application of any person for enrollment as a member of any tribe in the Indian Territory, who has not been a recognized citizen thereof and duly and lawfully enrolled or admitted as such, and its refusal of such application shall be final when approved by the Secretary of the Interior.

Section 2 of the Act of Congress approved April 26, 1906 (34 Stat.L., 137), provides for the receipt of applications for the enrollment of children who were minors living on March 4, 1906, and "whose parents have been enrolled as members of the x x x Cherokee tribe."

Under the provisions of the Acts of Congress above mentioned, the Office is of the opinion that the decision of the Commissioner to the Five Civilized Tribes denying the application for the enrollment of Alice C. Steele, James Steele and Beatrice Steele, is correct, and it is recommended that it be affirmed.

Very respectfully,

C. F. Larrabee

Acting Commissioner.

West; that an application for said child's enrollment on the form prescribed by the Department of the Interior was filed May 28, 1906, and same was duly approved November 5, 1906, and said child was enrolled opposite No. 1550, on the final roll of minor Cherokees under Act of Congress approved April 26, 1906 (34 Stat. 137) and her name appears on Census Card No. 1180, on file in the office of the Superintendent of the Five Civilized Tribes, Muskogee, Oklahoma, as the daughter of Richard F. West, Cherokee Roll No. 17041, the father, and Nellie V. West, a Non-Citizen, as the mother; that Richard F. West and Margaret West, and is now living at 801 South 21st Street, Muskogee, Oklahoma; that the marriage license above referred to was issued incorrectly to me as Richard F. West instead of Richard West; that said application for Lucy E. West's enrollment, including the affidavit of the mother, Mattie V. West (designated in the marriage license as Mattie Jones)

and the affidavit of the attending physician at Mary E. West's birth erroneously designate as the father and husband as Richard F. West instead of Richard West; that said Census Card No. 1152 erroneously designates as the father of said Mary E. West Cherokee N 1350, as Richard F. West Cherokee 17041, instead of Richard West Cherokee 13745; that, as stated above, Richard F. West, Cherokee Roll No. 17041, is my first cousin who was enrolled as a 1/8 blood, and due to the erroneous designation of Richard F. West, No. 17041, as said Child's father her degree of blood was erroneously shown as 1/16 when it should have been shown as 1/8, but under the law the degree of blood shown on the final roll is final.

My dear Mr. Landman:

Receipt is acknowledged of your letter of June 15 and its enclosures, requesting that you be authorized to correct certain errors on the records of your office in connection with Lucy E. West, Cherokee Minor No. 1350.

The original affidavit, signed by Richard West, Cherokee No. 15743, and Richard F. West, Cherokee No. 17041, and the information given on the photostat copies of the census cards, the birth affidavit, and the marriage license, clearly show that Richard West and not Richard F. West is the father of Lucy E. West.

You are, therefore, authorized to make notations on Cherokee New-Born Census Card No. 1180 to show that the father of Lucy E. West is Richard West, Cherokee No. 15743, rather than Richard F. West, Cherokee No. 17041.

In reply to your letter of August 8th, you are advised that this office was in error in its letter of August 6, 1906 in quoting you as stating in your letter of July 31st that the mid-wife in attendance at the birth of your child, Herbert H. THE COMMISSIONER: The printed list in the possession of the Cherokee Representative present of Delawares who came to the Cherokee Nation in 1866, contains the name of the applicant's father, Simon Bullette.

Q Are you a full blood Delaware? A No, sir.

Q What proportion of Delaware blood have you? A I am about a half.

Q He has a daughter, hasn't he? A Yes, sir.

Q What is her name? A Lillie Pitzenbargar.

Q Lillie M. A I don't know the middle name, but her first name is Lillie.

Q Your sister's husband's name is John A. Pitzenbargar? A Yes, sir.

Q Andwhere does he live? A He lives at Big Cabin.

Q Does he live near Vinita? A Yes, sir; northeast of Vinita.

Q You have an uncle, haven't you? A Yes, sir.

Q What is his name? A John Bullette.

Q And what is his post office? A Claremore.

Q Your mother then was a sister of this John Bullette? A No, my father was a brother of his.

THE COMMISSIONER: It is shown in the matter of the application for the enrollment of Lillie M. Pitzenbargar, Del.Card D. 19, by the testimony of John Bullette, the uncle of the applicant, that the father and mother of the applicant came with the Delawares in 1866 or 1869, and in the same case it appears that the mother and father of the applicant are on the Delaware pay roll, which is not at present in the possession of the Commission, the same having been returned temporarily to the Cherokee authorities for use at Tahlequah.

THE COMMISSIONER: The applicant applies for the enrollment of himself, his wife and one child. He is identified on the roll of 1896, and stated that he has lived in the Cherokee Nation for thirty-two years.

It is shown in a satisfactory manner, as set forth in the testimony, that his omission from the roll of 1880 is through no fault of his own, and he will now be listed for enrollment as an adopted Delaware. He is shown to have married his wife in 1898; neither were previously married; she has lived with her husband ever since her marriage. This marriage is too late under the Cherokee law of 1896 to entitle the applicant's wife to enrollment, and therefore the application for the enrollment of his wife is rejected, she being classed as a Cherokee by adoption.

When a certificate is filed of the birth of the child Samona this child will be duly listed for enrollment as a Cherokee-Delaware.

---o---

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and other proceedings in this application for enrollment, and that the foregoing is a correct and complete transcript of his stenographic notes thereof.

Q

The applicant is identified on the roll of 1896, he states that he came with his father to the Cherokee Nation when the Shawnees moved there in 1896, and that after living in the Cherokee Nation six years he went with his father and the balance of the family back to Kansas. There his father lived, as set forth in the testimony, up to the time of his death, and there the applicant lived with his father as set forth in the testimony, down to 15 years ago, since which time he claims to have lived continuously in the Cherokee Nation.

He does not claim that he or any of the family are on the roll of 1880. He is a Shawnee. He will be classed as an adopted Shawnee and his application will be placed upon a doubtful card. He states that he married his wife in 1889 and that she has lived with him in the Cherokee Nation ever since their marriage, she is identified with him on the roll of 1896 and with her children, and she will be classed with her husband on a doubtful card as a Cherokee by adoption. The five children applied for are all identified with their parents on the roll of 1896. They are living now, they are all said to be natives of the Cherokee Nation and all have lived here all their lives, but as their right to enrollment depends upon the father's right, the application for their enrollment will be placed upon a doubtful card, they being classed as Cherokee-Shawnees. The applicant states that he didn't apply to the Cherokee Commission or Counsel for re-admission to citizenship when he came to the Cherokee Nation some years after he had reached his majority.

Bruce C. Jones being duly sworn says that as stenographer to the Commission to the Five Civilized Tribes he correctly receoded the proceedings and testimony in the above case and the foregoing is a true and complete transcript of his stenographic notes thereof.

(Signed) Bruce C. Jones.

Sworn to and subscribed before me this the 3rd of October, 1900.

1896 roll page 910 #1983 Charles A. Thornton, Illinois District.

Q And your wife's husband Shelton, was he a Cherokee or a white man? A White man.

Com'r Brookinridge: The applicant is duly identified on the rolls of 1880 and 1896 as a native Cherokee; he has lived in the Cherokee Nation all of his life, and he will be listed now for enrollment as a Cherokee by blood; his wife for whom he makes application is said by him to have been married to him in 1899; this is too late for her to acquire rights to Cherokee citizenship under the Cherokee law; her former husband, he states was a white man, and she acquired no rights through him, therefore the application for his wife Sadie Thornton is rejected.

M.D.Green, being first duly sworn, statesthat as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Q How did your name appear on that license and certificate?
A As James Ketcher.
Q What name do you go by in your community. What do they call you? A Ketcher, they always call me by my English name. But I was enrolled as Teekahneyskee.
Q Is Teekahneyskee the Indian name for Ketcher? A Yes sir.
Q Why was it that you didn't give your name to the Clerk as Teekahneyskee instead of Ketcher? A I don't know, I thought one would answer about as good as the other.
Q The Jim Teekahneyskee that appears on the Cherokee Card #327 and the James Ketcher whose name appears on the marriage license and certificate which you sent in to the Commission, are they one and the same person? A Yes sir.

Commissoner Needles:

T e name of John E. Welch is found upon the authenticated roll of 1880 as w ll as the census roll of 1896; he presents satisfactory proof of marriage to one Sue Andrews, a non-citizen, certifying that he was married on May 3rd, 1893; he avers that he has 2 children, Charle y and Jesse, children of Johanna H nsely, a Cherokee citizen by blood, and the name of Johanna Hensley appears upon t e authenticated roll of 1880; he also avers that he has one child, Joseph V., by his present wife, whose name does not appear upon the census roll of 1896, having been born since s me was compiled; parties are all duly identified according to page and number of the roll as indicated in the testimony, consequently said John EL Welch, and his children, Charley and Jesse will be listed for enrollment as Cherokee citizens by blood; by reason of the testimony the enrollment of his wife Sue and his child Joseph V. by said wife is suspended, and their names will be placed upon a doubtful card, awaiting proof of birth as to Joseph V. Welch and the decision of the Commission as to the citizenship of his wife, Sue, amd of said child Joseph V., by reason of his former marriage, the facts in the case being fully set forth in the testimony.

Q His previous marriages? A I would have to count up the wives.
Q He had a number of wives? A Yes sir, some five or six.

BY MR. BRAINARD:

Q Is that simply heresay on your part? A The children are there.

BY MR. HASTINGS:

Q You found out this from investigation, have you? A Yes sir.
Q And from talks with him? A No sir, not a word from him.
Q From his children? A Some from his children, and just others that I happened to talk with them.
Q You say you ascer ained that he had been married some five or six times before his marriage to you? A Yes sir, I have, about seven.
Q Some of his former wives alive? A Yes sir, I think all except one.
Q Was he divorced from any of those? A I couldn't tell you.
Q From what did your investigations lead you to believe about that? A Well, I believe that he was married to some of them, ad some he wasn't legally married to.
Q I mean about the divorces? A Well I heard that one of them got a divorce from him.
Q But you never learned of ay divorces from the others? A I never learned whether he was sued for any.
Q Are you and Mr. Welch living together now? A Why yes I suppose we are. He claims that and I do too. But he doesn't stay at home any hardly, he has been home twice in ten months. I really think he has got another woman.
Q Where is he? A He is at Sallisaw.

Q You say he is now at Sallisaw? A Yes sir.
Q How long has it been since he has been at your place? A In September he was there.
Q This year, 1906? A Yes sir.
Q You were never married to him by any Preacher or Officer of the Law? A No sir, but he told me that was according to the law, and he would have it recorded and get marriage certificate.
Q You haven't that? A No sir, he never got it.
Q You don't know whether the contract was ever recorded? A No sir, he told me it would have to be recorded.
Q You never saw any license he had? A No sir.

ON BEHALF OF THE COMMISSIONER:

Q After your alleged marriage in 1893, how long did you and he live together continuously without any separation? A I don't claim that we have ever separated. He hardly ever stays away from home, and he never did stay away two weeks until three years ago. But right after we were married he came up home and left me at my sister's and st yed ten weeks but he wrote to me all the time. I had letters from him every week, so we were never seaparated, at least I didn't think it was that way.
Q Until three years ago did you and he keep house together continuously from the time of your alleged marriagewith the exception of just what visits he would make away on business? A Yes sir, we did and until we moved,--with the exception of the time we moved to Cooweescoowee; he couldn't get possession of the place and he sent me home on a visit to my sister's, and I stayed there three months, but he was there once during that time.
Q Was this marriage contract reduced to writing? A Yes, yes sir, it was written down.
Q Did you and he both sign it? A We both signed it.
Q In the presence of ay witnesses? A No sir, we didn't sign it in the presence of witnesses but he had a witness to the paper after it was signed.
Q Well, I mean did any person see you and he sign it? A No sir, no one saw us sign it.
Q Did any person sign the paper as witness? A I don't know, he said they did. I couldn't say that because he went in a Printing Office and came out there was a name on the paper.
Q Just one? A Just one but I couldn't say who signed it.
Q What became of the contract? A I wanted to keep it but he would not let me, said he would bring it with him when he came to Flint shortly after we were married; he said he would bring it and get a marriage certificate; said he would have it recorded at Tahlequah.

Q Did he ever get the certificate? A He never did.

(Witness excused).

DEPARTMENT OF THE INTERIOR,

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Esther May Welch as a citizen by blood of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on May 15, 1906, application was received at this office for the enrollment, as a minor citizen of the Cherokee Nation, of Esther May Welch, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137). A copy of certain proceedings had at Tahlequah, Indian Territory, December 18, 1900, before the Commission to the Five Civilized Tribes, in the matter of the application for the enrollment of John E. Welch, et al., as citizens of the Cherokee Nation, is filed herewith and made a part of the record herein. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, November 22, 1906.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Esther May Welch, is the minor child of one John E. Welch, a regularly enrolled citizen by blood of the Cherokee Nation, and Sue Welch, a white woman, who were united in marriage in the year 1893; that the said Esther May Welch was born, as the result of said union, on May 4, 1904, and was living March 4, 1906.

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

> "That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

It does not appear whether or not the marriage between said John E. Welch and Sue Welch was legal, but it is considered that under the provisions of Section 692 of the laws of the Cherokee Nation, code of 1892, said applicant, Esther May Welch should be considered the legitimate offspring of said union.

Section 692 of the Cherokee law in part provides:

> "All marriages which are herein prohibited on account of consanguinity between the parties, or on account of either of them having a former husband or wife then living, shall be absolutely void in this Nation, without any judgment of divorce or other legal proceeding; provided that the issue from such unlawful marriage shall nevertheless be legitimate . . . . . "

By the Act of May 2, 1890 (26 Stat. 98) Chapter 103 of Mansfield's Digest of the Statutes of Arkansas relating to marriages was extended over the Indian Territory, and it is further provided by said Act:

> "that all marriages heretofore contracted under the laws or tribal customs of any Indian Nation now located in the Indian Territory are hereby declared valid and the issue of such marriages shall be deemed legitimate and entitled to all inheritances of property, or other rights, the same as in the case of the issue of other forms of lawful marriage; provided further that said Chapter 103 of said laws of Arkansas shall not be construed so as to interfere with the operation of the laws governing marriage enacted by any of the Civilized Tribes."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two of the Act of Congress above noted, Esther May Welch is entitled to enrollment as a citizen by blood of the Cherokee Nation, and her application for enrollment as such is accordingly granted.

Commissioner.

Dear Sir:

In connection with the application for the enrollment of your child, Esther May Welch, as a citizen of the Cherokee Nation, you are directed to forward to this office by return mail, either the original or a certified copy of the marriage license and certificate of yourself and said child's mother.

You are requested to return this letter with your reply.

N.B.1302

Muskogee, Indian Territory. October 31, 1906.

Sue Welch,

Bartlesville, Indian Territory.

Dear Madam:

This office is in receipt of your letter of October 17, asking to be advised if your child, Esther May Welch, is on the approved roll of citizens of the Cherokee Nation and if so why you are not on the roll as a citizen by intermarriage of the Cherokee Nation by reason of your marriage to John E. Welch.

In reply you are advised that on May 15, 1906, application was received for the enrollment of Esther May Welch born to John E. Welch, a Cherokee by blood, and Sue Welch, a white woman, on May 4, 1904. The records of this office also show that application was made, by virtue of your alleged marriage to John E. Welch, for your enrollment as a citizen by intermarriage of the Cherokee Nation; that the application for your enrollment was denied by the Commission and its action was approved by the Secretary of the Interior, February 17, 1903. The Act of Congress approved April 26, 1906 (34 Stat. 137), reads as follows:

> "That for ninety days after the approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the . . . Cherokee tribe, or have applications for enrollment pending

at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother and allotments shall be made to children so enrolled. If any citizen of the Cherokee tribe shall fail to receive the full quantity of land to which he is entitled as an allotment, he shall be paid out of any of the funds of such tribe a sum equal to twice the appraised value of the amount of land thus deficient".

The records of this office further show that prior to your alleged marriage to John E. Welch he had been married several times, and before your minor child can be enrolled as a citizen of the Cherokee Nation, under the Act of Congress above quoted, it will be necessary for you to prove that it is a legitimate child of yourself and a Cherokee by blood. You will be permitted to appear with witnesses if you so desire before the Commissioner to the Five Civilized Tribes, on November 22, 1906, and submit such testimony as you desire as to your marriage to the alleged father of your child.

Respectfully,

H.J.C.

Commissioner.

(On 1896 roll, page 814, No. 6, as Carrie A. Adair, Going Snake.)

Q Are you sure this Madison B. was on the roll of 1896? A Yes, sir, I enrolled him.

A Yes, sir.
Q How old is he? A 8 years old I think.
Q You have known it ever since it was born? A Yes, sir, I have.
Q You have known it in the family as his child? A Yes, sir, I have.
Q And the child of his present wife? A Yes, sir.

Jessee E. Burkett - E.

Q Living with him now? A Yes, sir.

Jessee E. Adair, recalled, testified:

Q How your next child? A Annie Adair, 8 years old.
Q Have you a certificate of its birth? A Yes, sir.
Q You have still another child? A Yes, sir.
Q Give its name? A Baby, something over a year old.
(Applicant presents duly authenticated certificates of the birth of Annie Adair, and also of Baby Adair, the form born October 5, 1897, and the latter August 26, 1899. This is accepted as due certification of the birth of these children.)

Mr. Adair, you are duly identified on the roll of 1880, and also the roll of 1896, and you will be enrolled as a Cherokee by blood. Your wife, Jennie A. Adair, is duly identified on the roll of 1896, and her marriage to you is satisfactorily established by personal testimony, and she will be enrolled as a Cherokee by adoption.

Now as to your three children enumerated in the testimony, none of them are upon any roll, but the eldest one, Madison B., was of suitable age to be enrolled in 1896. It is understood, however, that all the names sent in for enrollment at that time were not put upon the roll through carelessness, it being a census roll not carefully looked after. The two younger children are duly identified by certificates of birth, your elder child is quite well identified by personal testimony, but it will be better for you to have made out a certificate of the birth of the elder child like you have made out of the two younger children. Your two younger children will be enrolled as Cherokees by blood, and as soon as you have supplied that certificate as to the elder child, it will be enrolled as a Cherokee by blood. That refers to your child Madison B. Adair.

Bruce G. Jones, being duly sworn, says that as stenographer to the Commission to the Five Civilized Tribes he reported the testimony of the above named witnesses, and that the foregoing is a full, true and correct translation of his stenographic notes.

DEPARTMENT OF THE INTERIOR,

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Abraham Archer as a citizen by blood of the Cherokee Nation.

~~DECISION.~~ Brief

The record in this case shows that in the Srping of 1905 Thomas B. Archer, a citizen of the United States and the father of Abraham Archer, applicant herein, whose mother, Anna B. Archer is a duly enrolled citizen by blood of the Cherokee Nation, removed with his family from the Cherokee Nation to the Dominion of Canada; that while residing in Canada on November 4, 1905, the said Abraham Archer, the applicant herein, was born to the said Anna B. Archer.

That subsequent to the birth of said applicant, but at what date I am not apprised, the said Thomas B. Archer returned to the Cherokee Nation, Indian Territory, and on May 29, 1906, filed an application for the said Abraham Archer to be enrolled as a citizen of the Cherokee Nation, said application having been filed under the provisions of the Act of Congress of April 26, 1906.

Owing to the fact that the said Abraham Archer was born outside of the jurisdiction of the United States, I was at first somewhat in doubt as to the right of said Abraham Archer to be placed on the Cherokee Roll, but after careful investigation I am of the opinion that the weight of authorities and the legislative acts pertaining to this case warrants a finding that the Commissioner is empowered to place the said Abraham Archer upon the roll of

the Cherokee Nation as a citizen by blood of said nation.

The Act of April 14, 1802, (2 Stats. at L. 155, Chap.28 Sec. 4) provides that,

> "The children of persons duly naturalized under any of the laws of the United States, or who, previous to the passing of any law on that subject, by the government of the United States, may have become citizens of any one of the said states, under the laws thereof, being under the age of twenty-one years at the time of their parents being so naturalized or admitted to the rights of citizenship, shall, if dwelling in the United States, be considered as citizens of the United States, and the children of persons who now are, or have been, citizens of the United States, shall, though born out of the limits and jurisdiction of the United States, be considered as citizens of the United States."

While it is true that the affidavit of Thomas B. Archer, father of the applicant Abraham Archer, sets forth that the said Thomas B. Archer and his family had removed to the Dominion of Canada,—and the indications point to the fact that his intentions were to acquire a permanent domicil outside of the jurisdiction of the United States,—the fact that subsequent to the birth of the said applicant the said Thomas B. Archer, together with his family, removed from the Dominion of Canada into the Cherokee Nation, Indian Territory, and as we are lead to believe, again established his residence in said Cherokee Nation, Indian Territory, thus abandoning whatever intention he may have had at one time of becoming a citizen of the British Government, and in accordance with the weight of authorities cited below the applicant's domicil was changed from the Dominion of Canada to the Cherokee Nation of Indian Territory.

> "The domicil of a child's origin, or the domicil at any time of his minority, is to be determined by the domicil of his parents; or, to speak more strictly, of his father, if the latter be alive and not legally deprived of his paternal rights. ..... The domicil of origin remains until another is lawfully acquired. And since minors are not sui juris, they cannot change their domicil during their minority, though they may when of age; hence they retain during infancy the domicil of their parents; if the parents change their domicil, that of the infant children follows it." Story Confl. of Laws, Sections 45 & 46 and cases cited. Abington v. North Bridgewater, 23 Pick. 170; Taylor v. Jeter, 33 Ga. 195; Daniel v. Hill 52 Ala. 430, Wharton Confl. Section 41.

"Prima facie, the infant's residence or domicil is that of his parents, and such it will remain during minority, in spite of his temporary absence at school or elsewhere. Nor can he of his own motion acquire a new domicil, since he is not a person sui juris" MacPhers. Inf. 575; Brown v. Lynch 2 Bradf. 214; Story Confl. of Laws, Section 46. But his domicil may be changed by his father, if he has one; . . . . . The rule of a minor's citizenship corresponds; and where the parent removes to another state or country, the minor child's citizenship changes, though he be temporarily left in the former jurisdiction." 49 Fed. R. 357.

Section 2 of the Act of April 26, 1906, provides,

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

The application of Abraham Archer to be enrolled as a citizen by blood of the Cherokee Nation having been made under provisions of the section and act last above quoted, and there having been no restrictions placed on prospective applicants for enrollment as citizens of the Cherokee Nation as to the locality of their birth, provided that said prospective applicants were minors living March 4, 1906, whose parents had been enrolled as members of the Cherokee Nation, I am of the opinion that Abraham Archer, the applicant, is entitled to be enrolled as a citizen by blood of the Cherokee Nation.

Respectfully submitted.

J. Carter Cook

The mother of the applicant herein is a duly enrolled citizen by blood of the Cherokee Nation under the acts of June 28, 1898 and July 1, 1902 (Cherokee Agreement), and the applicant was born Nov. 5, 1905 and living March 4, 1906.

Sec. 2 of the Act of April 26, 1906, reads, in part, as follows: "That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the x x x x Cherokee tribe x x x."

Mr. Tooll's decision hereto attached is based on the theory that the parent through whom

the applicant claims must have continued a citizen of the Cherokee Nation during the interval between Sept. 1, 1902 (date of closing the Cherokee rolls) and March 4, 1906, a position, I believe, wholly untenable for the following reasons, to-wit:—

Sec. 6 of the Act of Congress approved Feby 8, 1887 (24 Stat., 390) as amended by the Act of Congress approved March 3, 1901 (31 Stat., 1447), reads, in part, as follows: "Every Indian born within the ~~territorial~~ limits of the United States to whom allotments shall have been made under the provisions of this Act, or under any law or treaty, and every Indian born within the territorial limits of the United States who

has voluntarily taken up, within said limits, his residence separate and apart from any tribe of Indians therein, and has adopted the habits of civilized life, and every Indian in Indian Territory, is hereby declared to be a citizen of the United States, etc". Hence, when the matter of the applicant received her allotment, which the records of this office show was on April 3, 1902, her Cherokee citizenship, ipso facto, passed from her beyond the possibility of again existing and she became a citizen of the United States. Furthermore, the act under which these new-borns are being enrolled does not require that the parent through whom

~~Any~~ Claim shall necessarily be a Citizen of ~~the~~ Nation in which ~~the~~ Next born Claims the right to Enrollment. It is sufficient as to one class of such applicants that the parent be a duly enrolled member of one of the Five Tribes in Indian Territory, and ~~their present~~ Citizenship subsequent to Enrollment is ~~not~~ a matter that, neither concerns this office nor affects the rights of ~~the~~ N.B. applt. In the particular Case under discussion I believe the applicant herein would be entitled to enrollment even though his parent or parents were not Citizens of Canada, China or Siam.

A copy of certain proceedings had at Claremore, Indian Territory, October 25, 1900, and at Muskogee, Indian Territory, October 6, 1902, before the Commission to the Five Civilized Tribes, in the matter of the application for the enrollment of William Buster, et al., as citizens of the Cherokee Nation, are filed herewith and made a part of the record herein.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Roda Buster, is the minor child of one William Buster, a regularly enrolled citizen by blood of the Cherokee Nation, and Martha A. Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

> "That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two of the Act of Congress above noted, Roda Buster is entitled to enrollment as a citizen of the Cherokee Nation, and her application for enrollment as such is accordingly granted.

Gentlemen:-

In answer to your letter of the 16th, Inst., wiâl say that I was married to my wife according to the Cherokee Laws by Jake Lipe and that we did not have any license, and that you have on file his statement in connection with the matter of enrolling my wife as an inter-married citizen or the Cherokee Nation.

So for this reason I am unable to furnish a marriage certificate or a certified copy thereof; but you will find this proof in connection with the citizenship case of my wife.

I could furnish the affidavits of parties who were present at the time of our marriage.

I have filed my certificates in connection with my application for the removal of my restrictions, and you will find them on file with the Indian Agent, and my wife has never received her filing certificates.
